Tourism districts

re: public hearing, March 22, 2013

Dear Appropriations Committee:

For over 30 years the regional tourism districts have been a viable means of attracting tourism dollars to the state, giving local businesses and governments a direct voice, and providing a ready source of volunteers. The regional system was a good idea when the legislature initially enacted it, and it still has value and significant positive impact. Please preserve and adequately fund the regional tourism districts. There's too much at stake to throw it all away!

Thank you,
